# The Paediatric Assessment Unit

## Discharge Information for parents and carers

**Paediatric Assessment Unit**  
**Tel: 01473 702198**

Issue 6: March 2015 Review date: February 2018  
© The Ipswich Hospital NHS Trust, 2003-2015. All rights reserved. Not to be reproduced in whole, or in part, without the permission of the copyright owner.

Following your child's discharge from the Paediatric Assessment Unit, his or her GP will be sent an electronic copy of your child's discharge paperwork.

Specific advice relevant to your child's needs and care will be provided by our team.

### **Sharing information**

We routinely share information with other healthcare professionals, such as health visitors and Social Care, where appropriate. If you have any questions or concerns about the sharing of your child's information, please speak to the nurse in charge.

### **Feedback**

We are continually striving to improve our service and would appreciate any feedback you may have concerning your stay with us. Please help us by completing a short questionnaire or speak to a member of staff.

### **Open Access**

- Your child has been discharged from PAU. If you are concerned about your child you should contact your GP.
- Your child has been given open access for ..... hours until:

Date: ..... / ..... / ..... Time: ..... : .....

This means that If you are concerned your child has deteriorated during this period you can contact the **Paediatric Assessment Unit** on **01473 702198**, 9 am–8 pm, Monday–Friday and 12 noon–6.30 pm, weekends and bank holidays. Outside these hours, please contact **Bergholt Ward** on **01473 702194**.

You will be given advice over the telephone or be asked to return to the hospital for assessment if the nurse or doctor thinks this is necessary.

If you have concerns after this period please contact your GP.

If you have concerns your child is seriously unwell at any time, and cannot wait for telephone advice or a GP appointment, please go to your nearest **Emergency Department**.
